ABOUT US

Our leaders seek guidance through prayer, scripture, and God's Holy Spirit, as we embrace this important work of youth ministry. Our aim is to maintain a nurturing environment where all youth feel safe, welcome, and encounter God while gaining insight into the missional work of Christian discipleship. We promote and reinforce positive behavior, while employing at risk behavior prevention models and techniques. We are parent supportive and invite parents to optionally join us for some of our fun activities and outings; such as bowling, concerts, Christmas parties etc. This provides opportunity for the parents to meet and join together with their youth in fellowship. We have loads of fun and good times. Youth groups build friendships that last a lifetime.

OUR PROGRAM

Our program has ten specific goals:

- First & foremost, fun is a must!
- Maintain a welcoming space so all youth feel valued and accepted.
- Provide youth an opportunity to engage in fun face to face social interaction in a safe environment.
- Help youth find strength through faith and prayer.
- Organize fund raising events to be used towards the self-sufficiency of the group.
- Provide opportunities for youth to engage in Christian service, mission and ministry.
- Help youth develop leadership skills and discover their unique individual gifts and talents.
- Engage youth in team and confidence building exercises.
- Arrange opportunities to work alongside similar organizations.
- Counseling available upon request
